Dolphin Solid-Top window awnings

Whether for protection from the sun, energy savings, or for an appealing appearance, Fashion Ventilated or Dolphin Solid-top awnings add an unrealized value to your home or commercial storefront. With various point drops, styles, and a rainbow of colors to choose from, your options are too numerous to list.

Patio Covers/Carports

Whether its protection from the elements for your personal, family, or customer needs, Fashion can provide the necessary shelter and give additional resale value to your home or business. Fashion provides freestanding or attached covers, unlimited in uses and versatility.

Fashion designs and manufactures:

- Carports
- Marquees
- Walkway Covers
- Utility Covers
- Patio Covers
- Awnings

Fashion's products are aesthetically designed, and quality engineered to provide years of reliable performance. We have practical and economical solutions that fit a variety of Commercial, Industrial, and Residential applications.

Fashion offers a white flat panel or a V-panel profile in three different colors (white, bronze, and khaki). Also with our on-staff engineer we can design the cover to fit your specific needs and applications.
